

Four Years on Crutches.

For fifteen years I was afflicted with rheumatism, four years of which I was compelled to go on crutches. Words are inadequate to express the suffering I endured during that time. During those fifteen years of existence I was not living, I tried every known remedy without receiving any benefit. I finally began on Dr. J. H. McLean's Sarsaparilla, and in a few days I was able to get up, and in a few weeks I was able to walk. I am now enjoying the best of health, and am a well man. I can only believe that Dr. J. H. McLean's Sarsaparilla is the best blood purifier on the market today.

BUSINESS AND PLEASURE.

Dirt, Debt and the Devil.

A distinguished divine calls those three P's, Dirt, Debt and the Devil, an unmatched trinity of evil. If a man would be happy, he must avoid all three, and as studiously keep clear of Disease—another P—of necessity. This calls to mind still another P: "G. M. D."; in fact, Dr. Pierce's Golden Medical Discovery, the untiring remedy for consumption (which is lung-scourful), in its early stages, as for chronic catarrh in the head, and bronchial, throat and lung affections generally. It is a nutritive, tonic and blood-purifier, and builds up the strength and flesh of those who are reduced below the usual standard of health in a most marvelous way. It allays irritation and subdues the worst lingering coughs. Guaranteed to benefit or cure in all diseases for which it is recommended, or money paid for it returned.

What interesting things we don't see when we have our pencils ready.

Give the Children a Chance. There is something radically wrong with the health of a child when it seems listless, has poor or no appetite, eyes sunken and with dark skin beneath. In most cases showing these symptoms the child has worms, and all that it needs is some simple remedy, such as Hart's Worm Cream, to expel the worms, and the child will soon be in perfect health again. Parents, try it and let your little ones have a fair chance for life.

Is Consumption Incurable? Read the following: Mr. C. H. Morris, Newark, Ark., says: "Was down with Abscess of Lungs, and friends and physicians pronounced me an incurable consumptive. Begun taking Dr. King's New Discovery for Consumption; am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

Jesse Middlewart, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Trouble. Was given up by doctors. Am now in best of health." Try it. Sample bottles free at F. L. Jacobs' drug store.

A Lady's Chances of Marrying. Every woman has a chance of "catching a husband," but it is conceded that young ladies between twenty and twenty-five years of age are more likely to draw the matrimonial prize. However, it is not an unusual thing to hear of the marriage of a lady who has passed the three-quarter century mark. Yet, how can a woman, weak, dispirited, enervated and tormented by diseases common to her sex, hope to become a happy wife and mother? Of course she cannot; yet by the magic aid of Dr. Pierce's Favorite Prescription, all these obstacles are swept away. As a powerful, invigorating tonic, Dr. Pierce's Favorite Prescription imparts strength to the whole system, and to the womb and its appendages, in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, it is the greatest earthly boon, being unequalled as an appetizing codicil and restorative tonic.

It is no uncommon thing for a theatrical star to complain of the support, while the company retorts that the star is insupportable.

Disaster to Exodusters. Raleigh, Ga. Six weeks ago, Isaac Cook and family, numbering ten, left Selma with a party of colored exodusters and went to Woodruff county, Kansas. They went in search of better times and found fatal disaster. They had been only in Kansas only a short time when all were taken sick. Sallie, Isaac's wife, died November 27th. Isaac himself died last Monday night while on his way back to North Carolina. His eldest daughter arrived in Salem to-day with three of the smaller children. She left four in a hospital at Memphis. She has come back soliciting aid to bring the other four children back home. She now thinks North Carolina as good as she has of all creation.
